All essential documentation, including the Death Certificate Application, will be prepared and submitted on your behalf by Perry & Oster Funerals. Once the application is processed, the official Death Certificate will be issued and sent directly to the address you provide. Typically, births, deaths, and marriages are processed and mailed within ten business days from the date of cremation.

The ashes, along with the necessary Cremation Certificate for travel, are usually ready for collection within three business days at our Kunda Park office.

Ashes are returned in a standard urn provided by the crematorium, Upon request ashes can be spilt into multiple portions. Please be advised that there is no charge to split ashes, and the first urn is provided by the Buderim Crematorium. However, each additional urn after the first one will incur a fee of \$25.00.
